

CAVALRY FC REGIONAL FIELD HOUSE

2021-2022 Sponsorship Package Opportunities

A Recreational Facility of Excellence

A Collaborative Partnership

Cavalry FC Regional Field House – Where the community comes together! The Cavalry FC Regional Field House is a \$21.5 million partnership between Foothills County and the Town of Okotoks built by Scott Builders Inc. The Field House is run by the Foothills-Okotoks Recreation Society, with day to day management by Nustadia Recreation Inc. The recreation center features 3 turf playing fields (200' x 85') and a multipurpose court which divides into 3 gymnasiums (200'x 85'). In addition, it offers an 800-foot elevated walking/running track which is free to all users, training areas, meeting and multipurpose rooms, and a concession. The facility opened on September 8th, 2014. The Field House is enjoyed by many sports groups including soccer, lacrosse, volleyball, football, basketball, slo-pitch, baseball/softball, rugby, tennis, pickle ball, karate, and more. In addition, several trade shows are planned annually including 2 large dog shows with over 500 canine participants! The field house also hosts an average of 50 birthday parties each month as well as many other activities that require a roof during our long and inclement winters! Please visit our website at cpregonalfieldhouse.com for up to date facility information and schedules.
